Mr. Stanley M. LaFuria
Moshannon Valley Economic Development Partnership
200 Shady Lane
Philipsburg, PA 16866

Dear Stan:

Please allow this communication to serve as a response to your June 12th correspondence in which the Moshannon Valley Economic Development Partnership (MVEDP) respectfully requested the support of the Chamber of Business and Industry of Centre County (CBICC) regarding the Resource Recovery LLC's landfill and industrial park project proposed in Rush Township, Centre County.

The MVEDP request was discussed during the June 13th meeting of CBICC Board of Directors. The Board recognizes the economic and community development challenges confronting the residents of the Moshannon Valley. Further, the CBICC Board wishes to commend the MVEDP for its leadership in advancing the economic well-being and growth of commerce within the Moshannon Valley region.

Regarding the Resource Recovery, LCC proposal, the CBICC Board believes that the project as proposed will yield significant economic prosperity to the Moshannon Valley region and Centre County. For this reason, the CBICC Board unanimously voted in favor of supporting the Resource Recovery, LCC proposal and the development of the associated transportation infrastructure to be constructed solely at the expenses of the developer.

On behalf of the CBICC, please accept our best wishes for your continued success. If we may be of further assistance, please contact me at your convenience.

Sincerely,

John F. Coleman, Jr.
